

## ANNOUNCEMENT FOR STSH 2020 ALREADY REGISTERED CANDIDATES

Due to Covid 19 exigency in the year 2020 and inadvertent suspension of the STSH portal in late 2020, the Council lost the data of the registered students and thus could not process the STSH 2020 scholarships further.

However, in view of the various requests received from the registered candidates of STSH 2020 registrations who have become ineligible to apply for STSH 2021, the Council has reconsidered the matter and calls such already registered students (STSH 2020) to fill their information again by filling the Google form whose link is provided below and send their concept proposals for consideration of scholarship.

**REGISTER BY FILLING THE GOOGLE FORM now !!!!!**
